

zeil boot Friendship 26 (4.500 EUR)

Locatie **Flevoland, Almere** https://www.advertentiex.nl/x-1910479-z

This very easy to drive sailboat is in a very good state. I I bought it about 3 years ago, I used it very little (the reason why I sell it) and I did some works to improve it anyway. I pulled ashore 2 years ago and I didn't notice any sign of osmose and I repainted the keel. The deck and mast equipment are in good condition. The motor is an inboard Faryman Diesel 6 p.k. is running very weel: I changed an impeller and made an overhaul of the engine. I fixed the electrical system and put I new charger Victron Blue Smart IP22. Toilet system and kitchen were fixed not more then 2 years ago and perfectly working. The mainsail is old but in good condition. Genoa has been renovated and is in excellent conditions, never left out in the open but covered in its special case. The boat is visible at Marina Muiderzand berth n. F38. My name is Gianluca, if seriously interested just leave me a message with your name, phone and I 'll call you back. Thanks, best.
