De WS-C2960X-24PSQ-L is een hoogwaardige multiservice switch die is ontworpen om hoogwaardige Ethernet-connectiviteit te bieden aan kleine tot middelgrote bedrijven. Hij heeft 24 Gigabit Ethernet (GbE) poorten en 2 quad Small Form-factor Pluggable Plus (SFP+) poorten voor glasvezelconnectiviteit. De switch ondersteunt ook Power over Ethernet (PoE) tot 35 Watt per poort, waarmee draadloze access points, IP-camera's en andere PoE-compatibele apparaten kunnen worden gevoed.
