Selling my car to buy a newer and bigger model. Eveything works fine. I bought the car when it was 1 year old and had 18000km. Never had issues with it. Always maintained at the Citroen garage/dealer.

Service light is on and the maintainance period is due. The cost of maintainance will be deducted from the selling price or can be sold after the maintainance.

Summer and winter tires are newly bought. And they are the best tires of their category. Winter tires also comes with their own rim (one size)
