

## Storytel Reader (165 EUR)

Locatie **Zuid-Holland, Delft**  
<https://www.advertentiax.nl/x-1923683-z>

Aangeboden: Storytel Reader.  
 Nieuw in de doos.

- Je houdt de e-reader comfortabel met één hand vast terwijl je met de knoppen aan de zijkant van het toestel door je boek bladert.
- Dankzij de ingebouwde schermverlichting is het scherm goed leesbaar met veel of juist weinig omgevingslicht.
- Je gebruikt hetzelfde Storytel account op verschillende apparaten. Hierdoor wissel je ook eenvoudig tussen je e-reader, tablet en smartphone.
- Je kan bestanden offline en online lezen en luisteren.
- Het 8 GB opslaggeheugen biedt plaats voor ongeveer 3.000 e-books of 35 luisterboeken voor offline gebruik. Handig voor plekken zonder wifi, zoals onderweg of op het strand.
- De e-reader onthoudt waar je bent gebleven, zodat je eenvoudig wisselt tussen lezen en.

|                                                                                                                                                                                                                |                                                                                                                                                                                                                 |                                                                                                                                                                                                                 |                                                                                                                                                                                                                 |                                                                                                                                                                                                                  |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |                                                                                                                                                                                                                   |
