Deze computer staat al geruime tijd niets te doen en het is dus tijd om er iemand anders een plezier mee te doen.

Hij is erg weinig gebruikt en zal dus nog jaren mee moeten gaan. De nieuwprijs van de computer + 4K scherm was 3.473,88.

Deze computer is uitstekend geschikt voor de zwaardere games en ook voor grafisch werk zoals 4K video editing.

Scherm: UltraClear 4K UHD (3840x2160)
