

## Game pc (200 EUR)

Locatie **Noord-Brabant, Velp**  
<https://www.advertentieX.nl/x-1950010-z>

Hierbij te koop aangeboden:

Goede game pc.

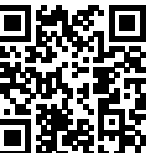

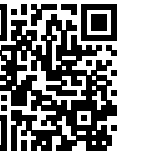

Intel I7-3770  
 MSI moederbord  
 MSI GTX 970 4gb videokaart  
 16 gb ram DDR3  
 1TB SSD

Geen wifi, wel ethernet natuurlijk.  
 Geen bluetooth ingebouwd, dongle eventueel tegen meerprijs leverbaar.

Opgestart in enkele seconden.  
 Ik heb de pc gebruikt om wat oudere spellen mee te spelen, denk aan:

Fallout 4 high quality 3840x1080 gemiddeld 60fps

Fallout New Vegas Ultra quality 1920x1080 60+fps

|                                                                                                                                                                                                        |                                                                                                                                                                                                         |                                                                                                                                                                                                         |                                                                                                                                                                                                         |                                                                                                                                                                                                          |                                                                                                                                                                                                           |                                                                                                                                                                                                           |                                                                                                                                                                                                           |                                                                                                                                                                                                           |                                                                                                                                                                                                           |

StarCraft 1&2

Ultra quality

Nieuwere spellen waarschijnlijk goed te spelen op low quality bv. Warzone etc.  
 PC wordt van binnen gereinigd met een schoon Windows 10 versie geleverd.

---

Betaling het liefst in contant en.
