

Can-am Maverick x3 wide FIA south racing buggy

Locatie **Noord-Brabant, Sint-Michielsgestel**
<https://www.advertentienx.nl/x-1952100-z>

Te koop: Can-Am Maverick x3.
 Met zijn brede chassis is deze buggy een waar racemonster, volledig voorbereid op de Dakar.
 Deze buggy is helemaal klaar voor het volgende avontuur.
 Veel onderdelen wijken af van de standaard T3 die South Racing verkoopt, waaronder de differentiëlen, asvering en de software.

Ook is deze buggy breder en voorzien van speciale banden.

Er is een onderdelenpakket voor een Dakar beschikbaar van ruim € 100.000,-. Tegen meerprijs
 Wil jij competitief meedoen aan de Dakar?

Speciaal voor de winnende buggy.
 Neem dan contact op.

For sale: Can-Am Maverick x3.
 With its wide chassis, this buggy is a true racing monster, fully prepared after the Dakar.
 This buggy is completely ready for the next adventure.
 Many parts are different from the standard T3 that South Racing sells, including the differentials, axle suspension and the software.

Also this buggy is wider and has special tyres included.

The 2 extra parts pack for the Dakar available for more than € 100.000,-.
 Is it worth it to participate competitively in the Dakar?

Special on the winning buggy is

- 1 Wider wheel base (150mm total wider than normal T3 and T4)
- 2 Maximum allowed wheel diameter 14 inch 30x10 DSR Tensor Tires / bf
- 3 Anti-roll bar system front and rear upgraded
- 4 Reiger suspension improved with special settings only for the top drivers
- 5 Front differential is manufacturer Bille LSD diff and not smart-lock electronic
