I am selling my kite surf equipment because I move away from the sea. I bought most of the stuff used myself so I don't know how old everything is but everything works fine. I think it's a great opportunity for beginners looking for their first affordable gear. I am selling only as a package consisting of:

- 1 kite North Rebel 12m2 with bar. I replaced the leading edge bladder last year.
- 1 kite North Evo 9m2 with bar. The bag is from a 8m2 kite but the kite actually is 9m2. The tape at the bar is peeling off but can be easily replaced and if not it still works well
- 1 Board North RideX 139cm, 41,5
- 1 harness Mystic, size L
- 1 impact vest Ion, size L
- 1 helmet, size M
- 1 pump
- 1 wetsuit billabong, size XL, bought it new last year and wore it 10 times.
