

Asrock Deskmini i3-9100 16GB 250GB NVMe Plex HW Transcoding (250 EUR)

Locatie Zuid-Holland, Delft
<https://www.advertentieX.nl/x-1953642-z>

Asrock Deskmini with Intel i3 9100 CPU, 16GB ram and 250GB NVMe SSD Space for 2x2.5in drives. CPU can hardware transcode multiple 4k steams at once meaning its the perfect hardware for a small plex media server or turbo powered NAS. good for unraid, openmediavault or TrueNAS been used for 2 years with ubuntu server. selling due to hardware upgrade. its been rock solid and is a bargain. i need new mountain bike shoes hence the sale
