

## Allu genie boot electrisch 10kwh project (5.750 EUR)

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-1956185-z>

Genie boot aluminium 2x8mtr

Electrische Buitenboord motor 10kwh

10kw accu agm

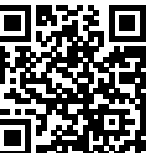

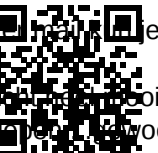

Boot is gestrand project zoekt nieuwe energie

De schroefas en roer ligt er nog onder dus je kunt nog evt inboard elektro inbouwen

Ik had deze opstelling puur gemaakt om te testen de bbmotor kan los gebruikt worden in een ander bootje

10kwh goldenmotors buitenboord motor .. is 20pk en weinig gebruikt . 10kw agm accus in redelijke staat . Goeie lader ..

Graag Langskomen als je enig idee hebt waar het over gaat  
 Het is niet instappen en wegvaren ( nou beetje dan )

|                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                            |

---

Los motor lader accu s 2.5k

Ik verkoop de boot pas los als de motor weg is

Motor heeft werkschroef geen speedschroef

Motor is ook geschikt voor li ion accus hij moet nog beter ingesteld worden op agm ( volt drop )

Maar kom gewoon kijken dan weten we beiden waar het over gaat

Er zitten extra spulletjes bij groet minne  
amsterdam
