

# Netgear GS105Ev2 Prosafe Plus 5-poorts switch

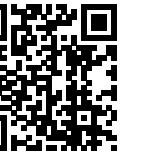

Locatie **Utrecht, Amersfoort**  
<https://www.advertentiax.nl/x-1956372-z>

TKA: Netgear managed 5-poort switch. Gebruikt, maar werkt nog prima. Ik verkoop dit omdat hij al een tijdje niet meer in gebruik is. Wordt geleverd met bijbehorende netstroomadapter.

Doe een goed bod en hij is van jou. Eventueel samen te koop met 8-poorts switch uit dezelfde serie, zie mijn andere.

|                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |
