

Ubiquiti UniFi Pro Switch Gen 2 (24-poorts, 400W PoE) (600 EUR)

Locatie **Zuid-Holland, Boskoop**
<https://www.advertentiax.nl/x-1956385-z>

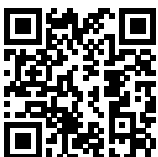

Overcompleet vanwege keuze ander model (48p), komt met factuur.
 Nieuw in doos, buiten koop op afstand, waardoor geen retour mogelijk is.

Winkelprijs minimaal €680!

Reden van verkoop is toch overstap op een 48poort POE++ switch i.p.v. 2x 24p switches.

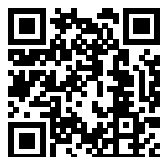

Betreft een 24 poort switch met 16x PoE+ (802.3at) en 8x PoE++ (802.3bt). Model met 2x SFP+ poorten.

Zie mijn andere advertentie voor de Unifi standard 24p POE.
