Dear viewer,
 Thank you for stopping by to this ad.

I'm currently selling my nice Yamaha Nmax 2017 ABS in color grey.
 We had some good moments together, but now I must commute for longer distances more often, so it is not perfect anymore.
 In city traffic it consumes 2-2.2L/100km of petrol and on highway at 90-100km/h - 2.5-2.8L/100km, so pretty cheap way of commuting.
 You will not find a better motorbike in this cc class. The BlueCore engine this bike has, it is a masterpiece of engineering: powerful, low consumption and easy to maintain.

Together with the bike you will get lots of accessories like:

- Tucano Urbano Termoscut or Yamaha Nmax leg cover (as per your preference)
- Yamaha high windshield
- Yamaha helmet case 30L (enough for 1 full face helmet)
- Yamaha comfort seat
- Yamaha hands protector
- Yamaha Nmax aluminium feet rest
- Strong smartphone holder
- Groceries/helmet hook

- 2xUSB 2.4A socket with bike battery voltage indicator
 - 1x oil change kit (oil, filter, seal, etc.)
 - 1x Castrol motor oil 10W-40
 - 1x 100% brand new Yamaha Nmax helmet
 - brake fluid
 - cleaned the transmission filter element
 - greased some parts

The tires are Michelin City Grip 2, 3 years old and look like new.

Together with the bike you will get the service manual in digital format so you could take care of yourself

if passionate.

I'm the 3e owner from 2023 and ~ 9630km.

The bike doesn't have to go, so unrealistic bids will be ignored.
