

Production employee

Locatie **Noord-Brabant, s-Hertogenbosch**
<https://www.advertentieX.nl/x-1958502-z>

Inleiding

Fixed part-time evening job involving processing goods for 5 hours per day using various production machines.

Bedrijfsomschrijving

The client is the leading specialist in hygiene, workwear, entrance mats, and cleanrooms. At the location where you will be working, CWS operates in the hygiene sector. The used towel rolls are taken to the laundry facility where they are reprocessed for reuse. You will be welcomed into a supportive team and given sufficient training so that you can eventually operate the machines independently and ensure the highest quality.

Functieomschrijving

Are you looking for a challenging job in the evening hours where you can earn up to €20.33 per hour? Then this part-time position as a production employee is perfect for you!

As a production employee at company CWS, you are jointly responsible for carrying out packing activities for the laundering process of CWS products. You work meticulously following instructions and carefully

inspect the products before preparing them for shipping. You work together with a team of experienced colleagues to operate the washing machines, the ironing machine and ironing machine. The used towel rolls are taken to the laundry facility where they are reprocessed for reuse. You will be welcomed into a supportive team and given sufficient training so that you can eventually operate the machines independently and ensure the highest quality. The working hours are from 18:30 - 22:00 per day through the week with a fixed base salary! After 18:30 you will receive a 45% allowance. Not available every workday? There is also an option for a 4-day workweek.

Your top 3 responsibilities are:

Processing products in the unwinding machine
 Processing washed products in the ironing machine
 Inspecting products and preparing them for shipping
