

KIA CEE D 1.6 Cvt 2008 Blauw (1.250, EUR)

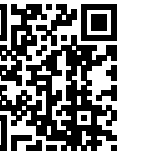

Locatie **Utrecht, Utrecht**
<https://www.advertentieX.nl/x-1959284-z>

I am selling this because i have no use for it as i am leaving the contry soon.
 The condition is used, outside doesn't look great but the engine is as solid as it can be, confortable to drive long distance and short distance. Parking sensor works great. Previous owner had the car for 4 years not a single engine problem and i had it for 1 and had zero issues with breaks or engine.
