The phone was purchased in May 2022, and it's as good as new. There are no scratch marks or any other damage.

The current version of Android is 13. Fairphone is likely to provide two more upgrades to the operating system, and the security updates are pushed every two months.

The main specs are:

8 GB of RAM 256 GB of storage LCD screen (full HD) Grey colour (both the device and its case) 4G and 5G
 The original box is also included.

I'll add some pictures to the ad as soon as.
