

# Mazda MX5 MX-5 NBFL 1.6 2002 Grijs met Phoenix interieur (7.950, EUR)

Locatie **Utrecht, Meerkerk**  
<https://www.advertentiax.nl/x-1960524-z>

Model: NBFL Grey Phoenix Edition

Bouwjaar: 2002

Kilometerstand: 161.323

Cilinderinhoud: 1600

APK: komt met nieuwe APK

Prijs: 7950 euro

Een goede MX-5 met mooie bruin lederen bekleding en look, windblokker met speakers, goede softtop met glazen ruit, werkende airco en cruise control, originele Enkei velgen met goede banden, harde wielranden en harde dorpels.

We hebben deze auto ook nog een onderhoudsbeurt gegeven.

Welkom in Meerkerk voor het maken van een proefrit.

Onder voorbehoud van typfouten.

|                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                                |
