Aprilia Tuono 1000R - Italiaanse krachtpatser!

Te koop: Aprilia Tuono 1000R uit 2008 in prachtige staat.

Deze agressieve naked bike is voorzien van:

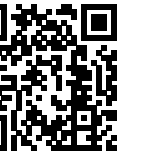

- Krachtige 998cc V-twin motor met 130 pk
- Licht en wendbaar aluminium frame
- Upside-down voorvork en centrale monoschokdemper
- Radialeremkluwen voor krachtig remvermogen
- Agressief, musculeus design in typische Aprilia stijl

De motor is recent volledig nagekeken en voorzien van diverse upgrades:

- Akrapovic uitlaat systeem
- Grote remschijven en Brembo remblokken
- laatst kleine onderhoud gehad

Dit is een echte krachtpatser die geen enkele tegenstander op de weg zal laten winnen. De Tuono 1000R combineert ongeëvenaarde prestaties met een heerlijk wendbaar en direct rijgedrag.

Deze machine verkeert in uitstekende staat en is lekker schoon en goed onderhouden. Wie durft deze

|                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |
