

Raspberry Pi 5 8Gb (108 EUR)

Locatie

Utrecht, Utrecht
<https://www.advertentieX.nl/x-1961362-z>

- Raspberry Pi 5 8Gb
- Official active cooler
- Official power supply 27W USB C
- NVMe expansion hat

This product is 6 months old, and functions perfectly. I was using this as a local server, booting from NVMe. The NVMe expansion hat provides a significant boost in access speed and a fast boot time. With the active cooler, temperatures remain low under all loads. Selling as I no longer have a need for this.
