Yamaha MT 03 660

Roadsitalia exhaust and PowerCommander (makes the ride more smooth). The bike was always maintained on time. Freshly painted the tank because it had some scratches. Replaced brake pads. New tires ( 1000km on them), new sprockets and chain, replaced 6 months ago. Also replaced oil and coolant last season. The bike looks very good for its age. LED taillight plus indicators in the back and custom license plate holder. It's a good bike for the beginners but also for more experienced riders. Selling it because i'm going to buy something bigger.

Mileage: 17100km
