Samsung S22 128GB Dual-SIM, i think the official color is green, but it really looks more like turquoise.

Works perfectly, batery is also in as good of a condition as possible with <1 year of usage

The coloring on the sides is a bit scratched, but if you are going to use a case, then these wont bother you anyways.

Screen only has 1 small scratch, see images.

- Includes:
- S22 128GB
 - Original Box
 - USB-A to USB-C cable
 - D-Brand grip case with genuine brown leather back

Original cost of the case was over 60 euros, i attached a picture of how it looks if you polish the leather. If you dont like the leather look, you can change it of course to any DBrand skin for the Grip
