I am selling an iPad Air 5 with the apple pencil gen 2 and a case.

- Price: 640 euros for all
- Ipad Air 5 Starlight (M1 chip, 64GB)
 - Apple Pencil Gen 2
 - Black magnetic Case
 - Paperlike screen protector (One is already attached and one extra)

The condition is as good as new. I started using the iPad in December 2023 and only used it for note-taking for 6 months. I have only used the iPad with the paperlike screen protector so there are no scratches underneath the screen protector. There are no exterior scratches either. Also, there is no way to check the battery health for the iPad Air 5, but it is the same as the first time I used.
