

# Achate kindertablet (50 EUR)

Locatie **Noord-Holland, Oudkarspel**  
<https://www.advertentiax.nl/x-1979227-z>

Leuke kindertablet. Bijvoorbeeld ideaal voor tijdens de vliegreis.  
 Door ons helaas nauwelijks gebruikt. Onze dochter heeft geen.

|                                                                                                                                                                                                                        |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                         |                                                                                                                                                                                                                          |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |                                                                                                                                                                                                                           |
