Zeer krachtige gaming laptop met de volgende kenmerken:

GPU: RTX 2070 MAX - Q
CPU: Intel i7-9750H
RAM: 32GB
STORAGE: 2 TB (1TB SSD, 1 TB HDD)

DISPLAY: 1920 x 1080, 144 HZ

Met deze TOP hardware kan de laptop games makkelijk aan. Dankzij het grote FULL HD scherm met 144HZ aan refresh voelen games snel en responsief aan.

Ik heb zelf met deze PC makkelijk de volgende games gespeeld:

- microsoft flight simulator 2020
- Call of duty Warzone
- Fortnite
- Escape from Tarkov

En nog veel meer!
