

AOC B2 (60 EUR)

Locatie **Zuid-Holland, Rotterdam**
<https://www.advertentiax.nl/x-1981707-z>

I used the monitor only for a half year, I bought it in January. I am selling it because I am moving out of the city. It comes in the box and with HDMI cable. Original price was 90€. Bought from Coolblue.

It is very good for watching films, playing games or just working or doing University work.

Thin and slender 23.8" IPS-monitor with vibrant colors, wide viewing angles and eye-friendly technology
The 24B2XH from the B2 series has a 23.8" Full HD IPS screen with wide viewing angles, lifelike,

sparkling colors and flexible connectivity.

Our sleek design has a thin profile and a screen that is burr-free on three sides for seamless integration of multiple monitors.

With a 4K QOC's Low Blue Light and Flicker Free technology, eye strain is a thing of the past.
