Inleiding

Bedrijfsomschrijving

The pastry shop is located in the south of the Netherlands, in Maastricht. Over the years, they have developed from a traditional bakery into a producer of a wide range of cookies, which are successfully sold on the national and international markets.

Functieomschrijving

We are looking for packaging employees for a pastry shop in Maastricht. As a packing employee, you mainly focus on the final inspection of the product.

You are also responsible for the appearance and quality aspects. You work in different ways, manually, mechanically and fully automatically.

Are you only available part-time? No problem! There are also part-time options for this position.

Functie-eisen

The main task of packaging is to place biscuits into boxes, tins and/or trays. The food safety is extremely important and must be maintained. Fill the containers with packaged products, pack them into boxes and seal them. The products are the responsibility of the packaging department.

Assessing the quality based on appearance based on the standard (deviating size, shape and decoration) removing incorrect products and alerting the packing operator or department management in case of (major) deviations. Rotation of workplace every hour.

Stocking the buffers with packaging material. Keeping the working environment clean to maintain an optimal working atmosphere. Ensure timely cleaning of equipment and work environment in accordance
