

# Ducati Monster 620 ie 2004 (2.600 EUR)

Locatie **Drenthe, Smilde**  
<https://www.advertentiax.nl/x-1988590-z>

Voor €2400 mag de Ducati weg!

Te koop aangeboden :

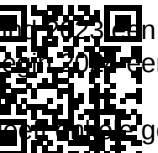

Ducati Monster 620ie uit 2004  
 Kilometerstand rond de 44.325

Voorzien van oa:

- Termignoni uitlaatsysteem (DB killers heb ik ook)
- Carbon bellypan
- Carbon voorspatbord
- Carbon achterspatbord
- Voorkuipje is ook aanwezig

Super goeie motor! Was mijn eerste motor, en dankzij het niet overdreven vermogen en het lage gewicht was het een perfecte motor om mee te beginnen.

Onderhoudshistorie aanwezig!

|                                                                                                                                                                                                                           |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                            |                                                                                                                                                                                                                             |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |                                                                                                                                                                                                                              |
