This 2015 Mercedes A180 is offered in excellent cosmetic condition, with minor scratches and typical signs of wear. The interior has been well maintained and shows no significant signs of wear since new. The interior offers comfort with plush seats and high-quality materials. Most kilometers come from daily commuting, mainly on the highway.

The car has a low mileage with regular maintenance. The extensive maintenance history is mainly available online via the Mercedes digital maintenance booklet.
The car has two keys and was purchased from an authorized dealer who imported it from Germany.

Selling because the car is no longer needed.

The price reflects the car's condition, low mileage, maintenance history and overall.
