Locatie **Zeeland, Terneuzen**
<https://www.advertentienl.nl/x-1990699-z>

Inleiding

For our client in Zeeland we are searching for an Overall Primavera planner

Bedrijfsomschrijving

Nouvall Engineering Services is specialized in project support for the (petro) chemical and maritime industry. We provide expertise in the field of Engineering, Project Management, Maintenance, Shutdowns, Construction and Safety.

Functieomschrijving

Coordinates data inputs from the various disciplines and functions to ensure accurate forecasts and reporting of schedule. Supports establishment of overall schedule baseline and reporting to monitor and control the project within established baseline tolerances. Engages key stakeholders to understand causes of the deviation and the need to establish actions to mitigate, when deviations occur. Requires full proficiency in a range of technical, operational, or analytical/scientific processes and procedures through job-related training and considerable on the job experience to perform a variety of work assignments.

Responsibilities and tasks of the Overall Primavera Planner are:

- Develops schedule management plans for project and/or turnarounds.
- Coordinates and manages comprehensive high level and master project schedule, identifies project baseline, and monitors progress, incorporating adjustments when deviations in the schedule occur or delays are encountered.
- Performs staffing, resource needs or similar calculation checks to elaborate some project decisions and resource-leveling supports the project strategy.
- Leads project teams in forecasting schedule challenges and offers analyses and solutions to complete the project on schedule.
- Utilizes project cost estimates to resource load project schedules to gain alignment with estimated scope. Works with cost management to gain alignment when forecasting schedule completion dates.
- Performs critical path analysis to determine problem areas regarding project schedule and resource overloads and offers alternative courses of action to the project team.
