<https://www.advertentiax.nl/x-1991993-z>

Inleiding

Work in a clean room in Eindhoven and contribute to precise production processes. Apply now!

Bedrijfsomschrijving

The client is called CWS and is located in the Acht industrial park in Eindhoven. They are specialized in washing, repairing and replacing workwear which is worn in a cleanroom environment. CWS sets the highest standards of quality and hygiene. They do this in a production environment where the product is protected from particles and microbiological contamination.

Functieomschrijving

Looking for full-time production work in Eindhoven? Do you like working in 2 shifts and don't mind doing laundry at home? Look further!

For our client in Eindhoven we are looking for full-time packers. Within this position you will make sure, together with your colleagues, that clothes can be neatly returned to the customer. For this job we offer an hourly wage of € 17,12 including allowances!

As a packer you will work in a cleanroom, which is a closed sterile area. You wear specific cleanroom clothing. This and more are very important.

The client is a laundry which specializes in processing clothing. You know about the laundry and are looking for a job for the production process.

As a packer the job includes:

Folding washed clothes in a clean room. Packing and sorting clothes. Quality control on all garments. A special and unique department within the laundry is the 'Cleanroom'. This is a sterile environment where mainly work clothes are washed under strict hygiene rules.
