Het is een zonnige dag? Waar zullen we ga naar toe!
 Als je zo'n auto bezit, draait het allemaal om plezier, avontuur en een beetje vaardigheid. Saab Cabrio 900 IS a classic icon.

There is something VERY special about owning a Cabrolet. It's just cool & in this case, a fabulous Classic Car. Saab is 'apart' & very good.
 This one is pretty perfect & super safe. Come try it for yourself. You will fall in love!.....

We have 'just' taken in this smart Saab Turbo Cabrio as a part exchange for one of our VW T3 Campervans. It's another great Classic I have to say.....
 Here is what we have noted. (as a novice to Saab)

The Car is very well presented, with a brand new Canvas Roof, Super Crisp interior (not a worn out mess) & yes, all that Classic Saab style in a Cabrio. The seats look 'tight' and with shape. Electric adjustment too!....Leather has been recovered and in perfect shape. (see photos).
 It's got Power Steering, Air Co & Automatic which make this car very easy & relaxing to drive while enjoying the breeze I am sure!.....

We are not Saab here at Dream, but we do consider this a very nice classic with bills for bringing her up to date for €13,000. Over the past 10 years 200,000 kms/twice a year so a bit of a work out/bills and a few years ago we gave year 2000 last free just for the reason for sale. The customer wanted a bigger or expanded car but not only, so we went for a camper van. Super power! So anyone going to get a super nice Saab for sale, they have had some work done on it. I have not this car, but I should take a look at it. I am sure you will be impressed. Previous Owners are both Doctors, so it comes from a pedigree home. Compared with any other Cabriolet, this car is Classic 'Solid' and Super-Safe...the automatic just makes a further joy & super relaxed. I have to say, I'm impressed.
 2 years APK just completed. 100 detail repairs and maintenance completed. (Bills) Automatic Transmission, just revised (Bills) Complete brand new Double Layered Soft Top Electric (Bills) Leather/Wood interior super smart. Air Conditioning, working (Bills) Radio and CD player, working. Big Pile of service bills up to date. Electric Seats. (working) Electric Windows. (all working) Cruise
