

Honda Super Magna 750 Origineel Black V45 - supermagna zwart (2.500 EUR)

Locatie Gelderland, Culemborg  
<https://www.advertentieX.nl/x-1998387-z>

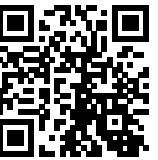

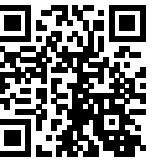

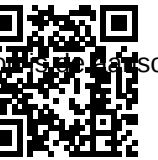

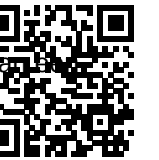

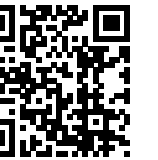

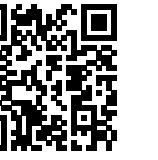

Honda Super Magna 750 Origineel Black V45 - supermagna zwart  
Te koop mijn Honda Super Magna 750 Origineel Black VF750CJ uit 1988.

- Het zadel heb ik pas opnieuw laten bekleden (21 mei 2024 bij motorzadel)
- Er zit een nieuwe acc u (april 2024).
- Vorig jaar in november heb ik 4 bougies vervangen en in maart 2024 heeft de motor een grote beurt gehad.
- Vorig jaar in augustus (2023) nieuw koppeling gehad bij 'Bos motoren' in Culemborg.
- De banden zijn in perfecte staat
- Het motorblok is zwart gespoten. Klaar voor de zomer en schakeld perfect.
- Motor is helemaal compleet en in zeer nette staat hier en daar wat gebruikssporen maar dat is te verwachten met deze leeftijd.
- Voorzien van Sissybar, nieuwe olie en oliefilter.
- Reserve sleutels aanwezig.

Kmstand kan iets oplopen met mooi weer.  
Motor is alleen voor mooi weer ritjes gebruikt en heeft altijd onder een afdak gestaan.

Verder heeft de motor een prachtig diep geluid.

Dit Honda is europese versie dus (geen miles) alle onderdelen zijn aanwezig in NL. (KM 59980 )  
Motor rijdt, remt en schakelt zoals het hoort.

|                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                  |
