

## Suzuki Swift 1.3 Limited 25, airco, alcantara leer (5.650, EUR)

Locatie **Gelderland, Hoevelaken**  
<https://www.advertentieX.nl/x-2000414-z>

Hele mooie Suzuki Swift in de kleur parelmoer metallic.  
 Mooie lichtmetalen velgen.  
 Interieur is heel netjes met Alcantara bekleding (Leer soort) met stoelverwarming.  
 Airco zorgt ervoor dat het lekker koel blijft in de auto.  
 Er zit ook een radio/cd speler in vanuit de fabriek.  
 De Swift is netjes onderhouden en bij 145.000km is er een nieuwe koppeling ingegaan en ook de versnellingsbak gereviseerd, ook heb ik net de apk keuring laten doen en je kunt dus aankomend jaar zorgeloos rijden.  
 Het bouwjaar is van 2010.  
 De kilometerstand is 159.800km maar kan nog oplopen omdat ik er nog mee.

|                                                                                                                                                                                                                                                       |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                          |                                                                                                                                                                                                                                                          |
