

# Daihatsu Cuore 1.0 5D 2008 Wit (2.750, EUR)

Locatie **Gelderland, Apeldoorn**  
<https://www.advertentieX.nl/x-2003158-z>

Te koop nette in zeer goede staat, betrouwbare, zuinige, leuke stads auto! Ivm aanschaf grotere auto, gaat deze tot mijn spijt weg!  
 De auto heeft 65214 km gelopen (echte km).. is een Nederlandse auto en altijd goed onderhouden  
 Nooit in gerookt! Distributie ketting..afneembare trekhaak met witte kentekenplaat.  
 Deze auto heeft nieuwe banden en accu.. en twee originele sleutels!  
 En bij verkoop een nieuwe APK geldig tot september 2025!

Vraagprijs:

|                                                                                                                                                                                                                                                |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                                   |
