

Cleanroom Operator

Locatie **Noord-Brabant, Eindhoven**
<https://www.advertentieX.nl/x-2016019-z>

Inleiding

Bring precision and diligence together in a dynamic cleanroom environment.

Bedrijfsomschrijving

Our client specialises in developing safe packaging for fragile components and systems. They also carry out complex cleanroom work for clients in the region. Working at this organisation means being part of a committed team that strives for perfection in everything they do.

Functieomschrijving

As a Cleanroom Employee, you will work in an environment where precision and quality are key. You will be responsible for performing various tasks within the cleanroom, strictly following prescribed procedures. With your accuracy, you ensure that every part is spotlessly cleaned and ready for further use. Together with your team, you create an efficient workflow that ensures product quality.

Your main tasks:

Following work processes and work orders. Inspecting and checking parts to be cleaned. Cleaning parts according to schedule. Correct use of materials and tools.

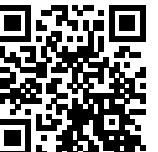

You must accurately measure and work at one location. In addition, you have:

Some technical understanding and can read drawings. A good command of the English language, both oral and written. Availability in the evening shift (Monday to Friday from 15:15 to 00:00).

Arbeidsvoorwaarden

Based on 40 hours per week, you can count on:
