A Classic 1977 CB 550 FOUR K which has been in storage for roughly 10/12 years is now for sale. After relocating and cleaning out the garage I have decided to part ways with this beauty as I do not have the space for it anymore.

The Honda is currently not running due to being in storage for so long but after a good service she should fire up easily.  
 The motor , electrics and cosmetics are all in good condition besides some surface dust.

The Honda includes a motorcycle lock , 2 x original Honda keys and original Kentekenbewijs.  
 This classic Honda is the ideal bike for either a collector , chilled weekend rider or someone looking for a project.

 Please note NO time wasters !  
 Collection in Katwijk North. !
