I am selling my well-maintained 2016 Audi A3 Limousine with a 1.4 TFSI engine.

IMPORTANT NOTE

I will sell the car for this price only until August 26 because after this time I am leaving the Netherlands for two months of vacation. So this is a really great offer because the car is really worth the higher price.

HERE ARE THE DETAILS

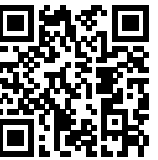

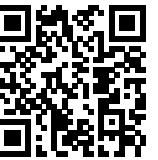

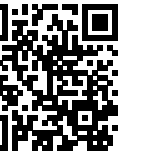

Condition: The car is in excellent condition for its age. The interior is very well-kept, with seats that are like new, free from any abrasions or damage.

Recent Maintenance: The heart of the car is very healthy, all filters (air, pollen, fuel, and oil) and oil were replaced in July this year.

New rear discs and brake pads were installed at the end of last year. The front discs are in very good condition, and the pads will last for another 25,000 - 30,000 kilometers. Last year also been timing belt (distribution) was replaced recently, ensuring the car will easily last another 150,000 kilometers. I have invoices for all repairs and replacements.

Tires: The car comes with winter tires. The front tires are almost new, having been used for one season, and the rear tires are in very good condition after two seasons with plenty of tread left.
