

# HPE Proliant DL360 Gen10, 2x Xeon Silver 4114, SSD, 128GB Ra (900 EUR)

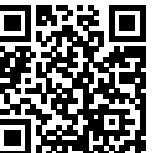

Locatie **Noord-Holland, Amsterdam**  
<https://www.advertentiax.nl/x-2028066-z>

HPE Proliant DL360 Gen10 Servers  
 Conditie: Refurbished, Uitmuntende staat, volledig nagekeken, getest en voorzien van de nieuwste Firmware en updates van 2024. Dus zorgeloos vooruit de aankomende jaren.  
 Meerdere op voorraad

- Specificaties:
- 2x Intel(R) Xeon(R) Silver 4114 CPU @ 2.20GHz 20 cores / 40 Threads, Max Turbo Frequency 3.00 GHz
  - 128GB DDR4 2400MHz ECC Reg (4x 32GB)
  - Raid Controller HPE Smart Array P408i-a SR Gen10 met 2GB FBWC (RAID 0,1,10,5,50,6,60,1ADM,10ADM)
  - Mix-and-match SSD, SAS en SATA schijven mogelijk op deze raid controller
  - 4x 1Gb HPE Ethernet 4 331i Adapter - NIC
  - 2x Hot-Plug Redundant Power Supply
  - iLO inclusief advanced licentie met remote console en virtual media. (KVM over IP)
  - fans/coolers redundant uitgevoerd.
  - Inclusief Rackmount Sliding Rails voor 19"rack montage
  - Inclusief 2 voedingkabels
  - Form factor: 1U

DL360 Gen10 8SFF

|                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                        |
