New price - €70000. ROYAL HUISMAN 52 Aluminium hull

Seize a rare opportunity to own an exceptional sailing yacht meticulously crafted and maintained. This 52-foot yacht, designed by Sparkman & Stephens and built by the prestigious Royal Huisman in 1978 for the 1979 Admiral's Cup in the Netherlands, stands as a paragon of nautical engineering and timeless design.

Key Features:

Hull: Constructed from durable Aluminium Alloy Nr5183, the yacht underwent a thorough hull scan in 2024, confirming at least 6mm thickness throughout, ensuring excellent condition. The hull is finished with high-quality AWL grip paint.

Engine: Equipped with a brand new Beta 50 engine, boasting only 7 hours of use and under warranty until the end of the year.

Sails: Comes with a full set of nearly new North Sails in remarkable condition. The owner has an extensive collection of similar sails available for negotiation.

Rigging and Mast: Features a Proctor mast with Navtec cylinders and Rod Rigging for superior performance. Fitted in 1997, Rio 2011-2013.

Deck Equipment: Features a Lewmar 50mm winches, 30mm rollers, and a smooth deck finish. Includes a B&G V50 VHF AIS, Raymarine log, depth instruments, radar detector, and red laser lights.

Navigation and Electronics: Includes a comprehensive navigation suite with B&G V50 VHF AIS, Raymarine log, depth instruments, radar detector, and red laser lights.

Condition and Maintenance: Requires some repairs to the rudder and a small dent on the port side.

This unique yacht is an exquisite blend of historical significance and modern performance, making it a
