I am selling here my 3. Laptop , with an external keyboard, an external mouse and external screen holder which was my backup of my backup so it was almost not used at all and I realized I don't need it so I will sell it . The mouse , the external keyboard and the screen holder have actual 0 hours of use it's completely new .

Contact me for any more pictures or videos of the item , I am able to provide everything. Also it comes with a charger and laptop bag can be also negotiated .

The Dell Latitude 5580 is a high-performance business laptop, equipped with an Intel Core i5-7300U processor, ensuring smooth multitasking and reliable speed. It features a crisp 15.6-inch display with a Full HD resolution of 1920 x 1080, offering clear and vibrant visuals. With 16 GB of RAM and a 256 GB SSD, this laptop provides ample memory and storage for professional use. Running Windows 10 Pro, it's ready for business environments.

This specific unit has been used for less than a month and is in pristine, almost new condition. The keyboard layout is intact, and the laptop shows virtually no signs of wear, making it an excellent choice for those seeking a like-new device at a reduced price.

Kind regards
