Purchased in 2021. The ipad is as good as new without any scratches. It has a paper like screen on top of it that can prevent scratches from occurring if you use pencils to doodle or take notes. Very useful and affordable especially for students. Very convenient to read or watch videos on ipad. Also possible to browse or download apps and play games. Comes with a case to protect the ipad when it falls. I am selling this because I need some money to buy a.
