Opel Astra 1.6 Cdti 81KW Sports Tourer 2016 Zwart

I have a car for sale that has been with me since 2018 and I am its second owner. The car is still in use and has normal signs of use. I have had it since it had 116,000 km (now it has 203,000). I have replaced a few things in it, such as the front and rear suspension (2 years ago), brakes, etc. The oil was changed more often than recommended (about every 15,000 km). The car has been driven very little for the last 3 years (last year 4,000 km) so I am deciding to sell it .The car has not been prepared for sale and cleaned, I am a private person. The car has NAP, additional set of winter tires and APK until May 2024. The car is not imported.If you are interested, feel free to contact.
