This 13.5 metres Airon Marine 4300 T-Top 37 knots luxury performance yacht with exceptional sea-keeping capabilities comes with the highly sought version with a settee on the back.

Also on this fully loaded example is her twin Volvo D6 IPS 500 system with joystick control, for super easy manoeuvring, improved handling, better performance, and up to 30% lower diesel consumption!

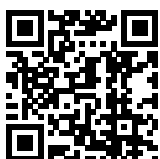

This Airon brings you anywhere in Italian styled luxury and comfort and is equipped to the highest standards and has been kept in a superb condition thanks to her overenthusiastic owner that keeps her very well.

One of the unique features of this Airon Marine besides her electric operated sunroof is her integrated helm and engine room controls which interface with the joystick button.

She is well worth viewing, sailing and buying!

Helm position:

The comfortable helm position is found on starboard and the well-equipped helm ensures comfortable cruising even when circumstances are cold and wet.

---

Modern integrated gauges both analog and digital complete her stylish carbon fibre dashboard on which a bow-thruster, autopilot, radar, gps, chart plotter, VHF, searchlight, trim-tabs, wipers and anchor winch control can be found.

#### Cockpit wet-bar:

On starboard just behind the helm seat a fully integrated wet-bar is found with a sink, water tap, Waeco refrigerator and an electric grill. The back of the helm seat can also be opened and functions as a glass and bottle holder.

#### Galley:

A modern galley with lots of cupboards, sink, hot and cold water mixer tap, dual-zone ceramic HOB, combi oven, grill, microwave, large fridge/freezer and a beautifully work top makes you feel at home, both space and comfort wise. In full reach of the galley the generator start-stop remote.

#### Guest cabins:

In her aft the guest cabin is located with a tripple berth, two berth can be converted into a double with an infill. This tripple bedded guest room with plenty space for three and baggage, hanging lockers, bed light lamps, mirror and good ventilation with in-hull placed portholes, and silent water cooled marine airconditioning.

Nice overhead lighting, a TV and pretty large seat area completes this super cosy cabin.

#### Owners cabin:

An ample sized full beam owners cabin is found in her bow, a large French styled double bed accessible by two sides, lots of space and clothing cabinets. Modern large stainless portholes below deck-line gives you ventilation during heavy rain and ensure safe closure at bad sea weather.

Access to the well-equipped bathroom is of course another Airon Marine standard. With his own silent watercooled marine airconditioning, regulatet from within the owners cabin.

#### Bathroom:

---

The well-equipped bathroom has all common features as electric flush toilet, sink, hot and cold water mixing taps for the wash basin and shower compartment. A round glass design wash basin with chrome water taps look really stunning combined with the typical Italian woodwork.

#### Cockpit and bathing platform:

The cockpit with electric sliding roof in the hardtop was designed by Airon Marine yachts for strength, air and lots of glass panels which provides a very extraordinary feeling. The outside galley houses exactly the appliances you would expect on a yacht of this calibre. On her stern you find settee that convert to a king size sun pad and a single stairs to the bathing platform. A hot and cold deck-shower and of course swim ladder and a retractable gangway for safe boarding is found on this example.
