

## Honda Jazz 1.4 83pk Automaat Clima Trekhaak NAP Nieuwe APK (3.995, EUR)

Locatie **Utrecht, Schoonrewoerd**  
<https://www.advertentiax.nl/x-2041945-z>

Bij deze biedt ik een leuke goed onderhouden Honda Jazz aan.  
 Wegens aanschaf van een andere auto word hij verkocht.  
 De auto beschikt over een soepele automaat welke goed schakelt.  
 Ook is de auto langere tijd in ons bezit geweest en heeft hij ons nooit in de steek gelaten.  
 Verder is de auto voorzien van een Climate Control en een trekhaak.  
 De auto is origineel Nederlands geleverd en heeft een logische kilometerstand.  
 Facturen van het onderhoud zijn allemaal nog aanwezig.  
 Bij verdere vragen kunt u gerust een berichtje.

|                                                                                                                                                                                                                                                                                           |                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                            |                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                              |
