The Platform Operations team is responsible for managing the day-to-day operations of the entire online business operation. As the brand experiences rapid growth, the team plays a key role in supporting its ambitious expansion goals for the coming years.

The Position:

As a Platform Operations Coordinator on the Platform Operations team, you will act as the key link between the business and product teams. Your role involves supporting various teams by providing guidance and advice on how to align effectively with processes within the Digital Sales Environment.

You'll have the opportunity to contribute to high-visibility campaigns while gaining in-depth knowledge of the workings of a global e-commerce platform.

Expected responsibilities:

Assist the Incident Management Lead and the Platform Operations Team in evaluating issue severity and prioritizing tickets accordingly. Collaborate with the technical support and product teams to investigate live issues on the e-commerce website. Lead the coordination and communication with other Ecommerce teams, providing updates on issue statuses, related Jira tickets, and reports. Serve as the primary point of contact for internal stakeholders and external partners regarding live website issues. Gather data from Jira and Grafana to generate statistical charts for monthly Platform Incident reports. Manage the support mailbox, ensuring inquiries are addressed promptly and escalating to team members when necessary. Provide data and input files to external vendors for weekly or monthly platform-related tasks. Execute operational tasks such as creating promotional activities and performing cache clears on the live platform.

The Ideal Candidate:

A collaborative team player who enjoys networking and assisting others in problem-solving. At least 1 year of professional experience in Ecommerce, QA, or a support role. Strong organizational skills with an ability to manage tasks efficiently. An analytical, detail-oriented mindset, with a passion for investigation and finding solutions. Proficient in Microsoft Office (Excel, PowerPoint). Familiarity with tools such as JIRA and Confluence. Excellent written and verbal communication skills in English.

What you can expect from our client:

An international environment which respects diversity, equality, and individuality. A beautiful state-of-the-art Campus. Depending on the role a monthly home-office budget. A chance to unwind with weekly social activities.

Sollicitatieprocedure
