

Marieholm MS20AC (2.999 EUR)

Locatie Friesland, Workum https://www.advertentiex.nl/x-2053998-z

Hello,

I have decided to sell my beautiful GRP classic. I bought the Marieholm a few years ago in Sweden. The Swedes have very short summers, after which the MS20AC was always well covered in the garden/barn of the two previous owners. Therefore the hull is absolutely healthy and the boat is in very good condition overall for its age.

I have sailed the boat a lot in Sweden, across Denmark, along the German coasts in the Baltic and North Seas in recent years. Now it is on the lisselmeer, in beautiful Hindeloopen.

I have invested a lot myself in the last few years. I had the engine overhauled and replaced all the impellers, seawater filters, etc. The engine is a 10 HP Volvo Penta, which is old but starts really well, has two circuit cooling and is easy to handle with the 1.3 ton boat. Super maneuverable. This makes the boat very seaworthy.

The spray hood and rods were redone by me 1.5 years ago. The cockpit is also part of the boat. Only a few years old, hardly ever used, only a few times by myself. So you have a 3 room boat with lots of space despite only being 6m long.

The MS20 AC has an aft cabin. There are 2 very comfortable berths, each approx. 1.90m long. With an
