Hello everyone,

I am selling my well-maintained Laser, including the Radial Rig. I bought the boat in 2011 in the Netherlands, almost in new condition. I sailed it regularly until 2014. Since then, the Laser has mostly been stored in a garage on a dolly and trailer and has seen little use in the past 10 years due to a lack of time. That's why I've now decided to sell this beautiful boat.

I am selling the boat along with a road trailer and various accessories:

- Laser Radial G-XD 194882
- 2x Radial lower mast section
- 2x upper mast section (aluminum)
- 1x training sail, 1x racing sail with corresponding sail number and diamond
- 1x boom
- 1x rudder
- 2x daggerboards (see pictures)
- 1x bottom cover
- 1x Laser top cover
- 1x additional top cover
- Road trailer (slip trailer) (Kalf)
