

USB-C 24 inch LG monitor for sale (150 EUR)

Gelderland, Arnhem Locatie https://www.advertentiex.nl/x-2062781-z

This monitor was purchased around 2 years back but was used only for few days as my company provided another one. It's in original packing since then. This QHD monitor comes with USB-C cable support. Very handy to have all connections with one cable. The product still carries 1 year of manufacturer.
