Selling my iPad 7th Generation (10.2", 128GB, Wi-Fi), primarily used for studies and very well cared for. It's in excellent condition, with no scratches, dents, or performance issues. The battery life is still strong, and the iPad has been reset to factory settings, ready for its next owner!

What's included in offer: • iPad 7th Generation (10.2" display), Wi-Fi - 128GB - Goud • 1st Gen Apple Pencil (perfect for note-taking, sketching, and more) • Charging cable and adapter • iPad case in green

This iPad was mostly used for note-taking, reading, and research, so it's been handled gently. Ideal for students, professionals, or anyone looking for a reliable and affordable iPad for day-to-day use.

Price: 350 euro
