

Fujitsu tablet STYLISTIC Q509 - Windows 11 Pro (250 EUR)

Locatie **Utrecht, Utrecht**
<https://www.advertentiax.nl/x-2070262-z>

Deze Fujitsu tablet is nog zo goed als nieuw, nauwelijks gebruikt. Wordt geleverd inclusief cradle, adapter en pen. Scherm is krasvrij. Altijd zeer netjes mee omgegaan.

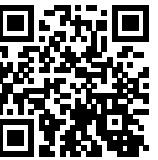

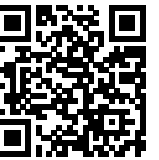

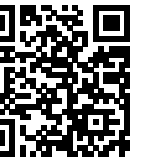

Een losse adapter voor de tablet zit er niet bij, dus alleen op te laden via de cradle.

Via WiFi of 4G/5G (SIM kaart) te verbinden.

Model: ST Q509 LTE /10.1 WUXGA TCH AG/
 Aankoopdatum: 09/02/2020
 Nieuw prijs: 959,- euro

The FUJITSU tablet STYLISTIC Q509 enables new levels of productivity in industrial settings. It is made for rough environments. The lightweight design combines with a 10.1" display and reinforced corners. Ultimate connectivity and security options like fingerprint sensor as well as a long battery runtime let you stay connected wherever you are.
